Dear Shane,

**24-25.006 - 'Primary title: The Influence of Respiratory Cycles on Visuo-Spatial Attention and Cognitive Processing'**

Secondary title: Breathing and Attention

Thank you for your responses to the points raised by the Faculty of Health Sciences Research Ethics Committee.

Given the information you have provided I confirm approval by Chair's action.

The approval is valid until 01 October 2025. If you require an extension to this end date or in the event that any amendments are required to your study, please email [FHS-ethicssubmissions@hull.ac.uk](mailto:FHS-ethicssubmissions@hull.ac.uk) and the relevant paperwork will be provided.

Should an Adverse Event need to be reported, please complete the [Adverse Event Form](#) and send it to the Research Ethics Committee [FHS-ethicssubmissions@hull.ac.uk](mailto:FHS-ethicssubmissions@hull.ac.uk) within 15 days of the Chief Investigator becoming aware of the event.

This letter of approval for your study should be stored safely as we may not be able to provide replacements. Some journals will require the original letter of approval when you submit your manuscripts for publication. It is your responsibility to ensure you store this letter of ethics approval letter safely.

I wish you every success with your study.

Yours sincerely

Dr Maureen Twiddy
